

August 15, 2018

Mr. Mike Stoker
Regional Administrator
U.S. Environmental Protection Agency
Region 9
75 Hawthorne Street
San Francisco, California 94105

Dear Mr. Stoker:

The California Air Resources Board (CARB) is submitting to the U.S. Environmental Protection Agency (U.S. EPA) revisions to the California State Implementation Plan (SIP), from the following air quality management districts (Districts):

- Sacramento Metropolitan Air Quality Management District
- Yolo-Solano Air Quality Management District

These revisions consist of adopted and amended District rules, as listed in Enclosure A to CARB's Executive Order S-18-012, enclosed, adopting the District's rules as revisions to the SIP. To meet U.S. EPA's criteria for determining that rules submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions and evaluations of the rules' consistency with 40 CFR 51.

If you have any questions, please contact Mr. Kurt Karperos, Deputy Executive Officer, at (916) 322-2739, or have your staff contact Dr. Michael Benjamin, Chief, Air Quality Planning and Science Division at (916) 201-8968.

Sincerely,

Richard W. Corey
Executive Officer
